

Dear Mr. and Mrs. Sesko:

Pursuant to the Court of Appeals decision of April 29, 2003 denying your appeal in the above referenced matter, and the Orders of the trial court, the City has scheduled the abatement of the nuisance on your property located on Arsenal Way for May 13, 2003 at 8:00 a.m.

Pursuant to the November 30, 2001 Order, you are permitted to retain the following residential goods on your property within a fifteen (15) foot buffer area around your home:

Quantity	Item	Quantity	Item
1	Metal tent frame	2	Boats*
1	Skis (pair)	1	Metal stairs (necessary to be used in conjunction with boats).
1	Broom	-	Firewood stored in Quonset huts <sup>1</sup>
1	Hose	1	Travel trailer OR camper
1	Shovel	2	Clothes lines
1	Rack	1	Dumpster
2	Wheelbarrows	4	Lawnmowers
2	Barbeques	-	Pile firewood logs*
2	Extension ladders	2	Canoes
1	Large metal fan	1	Garden Cart
1	Yellow stepstool	1	Concrete mixing pan
1	Garbage can	1	Outdoor vacuum
1	Trashcan	2	Mailboxes

We ask that in order to avoid confusion, and insure that you are able to retain the items you are entitled to keep, that you clearly mark each of the above items that you wish to retain. For example, if there are more than two boats on the property you will need to mark the two boats you do not want moved. Additionally, please provide a list and photographs of the items you wish to retain.

The order requires you to clearly mark, and store on your driveway, the six motor vehicles you are permitted to retain pursuant to the Court's order. These six vehicles can only include a functional bus, motorcycles, car or trucks.

If you have not done so already, the City's contractor will clear-out the area beneath the eaves of Natacha's Dance Hall and the shed area next to the north wall of the residence.

Your anticipated cooperation is appreciated.

<sup>1</sup> These items, if marked, do not need to be within the 15 foot buffer.
